Re: Generic Docket No.: E-00000W-13-0135

Dear Chairman Stump and Judge Nodes,

Thank you for adding me to the service lists for Docket No.E-00000W-13-0135. To be clear, I do not wish to be involved as an intervener in this or any other cases before the Corporation Commission at this time. I appreciate the efforts of the Commission's Docket Control department to remove my name as an intervener from any cases in order to fully resolve this matter.

Please feel free to contact me with any questions.

Sincerely,
