Re:

Dear Commissioners:

Having received the notification of the request by the Golden Shores Water Company for an Emergency water rate increase. I wish to make my statement.

I understand the possible need for an increase, as I know all costs of doing business is constantly rising._

What I TOTALLY DISAGREE with is the PERCENTAGE of the increase.

I am a19 year old winter resident and am on a fixed income. Most of the people who reside in Golden Shores are either people like me, or full time residents who also live there because of the cost of living. It is not affordable to live in larger communities with more and better services.

Please give consideration to the needs of the residents of Golden Shores and the imposed burdens the Golden Shore Water Company intends to saddle us with.

Thank you for your consideration,
