To The Commissions of Utilities

a 94.9 percent increase will hurt people that's retired and on S.S.

The amount of the increase is out of hand.

I think it's about time to cut some management wages or people to off set the \$455,000 dollars. I live in Golden Shores AZ at

With all the taxes going up along with everything else people just can not make dollar go that far. I do think a increase in need but not a 95 percent.

Thanks
Bobby Shadden
