**DOCKETED**

AUG 20 2013

DOCKETED BY	nr

IN THE MATTER OF THE APPLICATION OF  
COLDWATER CANYON WATER COMPANY  
FOR APPROVAL OF A RATE INCREASE.

**DOCKET NO. W-01559A-12-0479**  
**NOTICE OF ERRATA IN STAFF REPORT  
 AND REQUEST FOR CONFORMING  
 CLARIFICATION OF RECOMMENDED  
 OPINION AND ORDER**

Staff hereby provides notice of errata in its Staff Report dated July 8, 2013, which require correction. Further the Recommended Opinion and Order ("ROO") in this Case should be clarified to reflect the corrections to errata.

1. The first error occurs at page 9 of said Staff report, stating

**Service Line and Meter Installation Charges**

The Company has requested changes to its service line and meter installation charges as shown on Schedule BCA-4.

Staff has recommended service line and meter installation charges based upon an analysis of costs as discussed in the attached Engineering Report. Further, since the Company may at times install meters on existing service lines, it would be appropriate for some customers to only be charged for the meter installation. Therefore, Staff recommends separate service line and meter installation charges. Staff recommends approval of Staffs service line and meter installation charges are shown on Schedule BCA-4.

The final line of that paragraph inadvertently referenced the incorrect exhibit and should have stated:  
...

1 Staff recommends approval of Staffs service line and meter installation  
2 charges are shown on Table C, at page 10 of the Engineering Report for Coldwater  
3 Canyon, prepared by Jian Liu, Utilities Engineer, on July 2, 2013, and attached to the  
4 Staff Report filed herein.

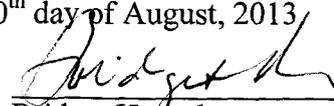

5 To conform to this change, the ROO should also be clarified to include the correct table for service  
6 line and meter charges at page 8, lines 18-22.

7 2. The second error in the Staff Report occurs on Schedule BCA-4. Under the heading  
8 of "Commodity Rates," for All Other Meter Sizes the Company Proposed rates are stated at \$4.75 for  
9 the first tier and \$6.00 for the second tier. In fact, both should be \$0.00. To conform to this  
10 correction, the ROO should be clarified at page 3, lines 22-23.

11 3. The ROO appears to contain a clerical error in Finding of Fact 24 on page 7, line 1,  
12 which references the date March 15, 2013. The correct date is March 15, 2015.

13 Staff respectfully requests that these items of errata be corrected in the Staff Report and that  
14 conforming clarifications be made to the ROO.

15 RESPECTFULLY SUBMITTED this 20<sup>th</sup> day of August, 2013,
