Dear Patricia Barfield, Director:

W-01580A-13-0255

I am writing in reference to the proposed increase in the water rates for the Tonto Village Water Company that Mr. Jeff Daniels is asking for.

I was on site manager for the Tonto Village Water Company before it was sold to Mr. Daniels so I have knowledge of the system and the maintenance cost of the operation.

When Mr. Daniels took over, he promised that he would repair the system and deliver good quality water; that has not happened. My water is scaly and cloudy so we cannot drink the water. We buy bottle water in Payson for household use.

I cannot support an increase in rates at this time. When Mr. Daniels upgrades the system, I will agree on an increase but until that time the answer is 'no way'! would I support his request for said increase in rates.

Thank you for reading my letter.
