Re: White Hills Water Company Docket No. W-01982A; Annual Report Filing

Dear Ms. Madrid:

Enclosed please find the original of the subject company's 2001 Annual Report to the Utilities Division. This Report was delayed in filing due to the shareholders prior sale of the Company stock and subsequent necessity to repossess the Company. In that transaction, the Company present shareholders were unable to obtain certain accounting records to permit preparation of this Report. Likewise the data for 2002 is in the process of being assembled.

The Company hereby requests an extension of time in which to file the 2002 Annual Report. That Report will be filed as soon as the information is available.

Thank you for your assistance in this matter.

Sincerely,

Richard L. Sallquist
