AZ CORP COMMISSION  
DOCKET CONTROL

DATE: August 30, 2013

RE: TUCSON ELECTRIC POWER COMPANY - REQUEST FOR EXTENSION OF TIME DEADLINES (DOCKET NO. E-01933A-12-0291 – DECISION NO. 73912)

In Decision No. 73912 dated April 16, 2007, the Arizona Corporation Commission (“Commission”) approved the application of Tucson Electric Power Company (“Tucson Electric” or “the Company”) for new rates and charges.

As part of Decision No. 73912, the Commission ordered that Tucson Electric:

**“...shall file on or before August 30, 2013, a revised Partial Requirements Service Tariff and a Super-Peak Time-of-Use Tariff”**

**“...file in this docket by August 30, 2013 a proposed tariff for interruptible rates. Staff agrees that it will review the filing and docket a Staff Report and Proposed Order for the consideration of the Commission by December 31, 2013.”**

On August 26, 2013, Tucson Electric docketed a request for a two month extension of time seeking authority to provide the above tariffs by October 30, 2013 rather than August 30, 2013. The Company’s application states that it is seeking the additional time because employees that would develop the required tariffs are simultaneously involved in the pending UNS Electric rate case (Docket No. E-4204A-12-0504). The application also states that the extension will allow the Company time to work with parties in an effort to seek “consensus” on each tariff.

Staff has no objection to the Company’s proposed extension of time in this matter and recommends that the due dates for the provision of the revised Partial Requirements Service Tariff, the Super-Peak Time-of-Use Tariff and the proposed tariff for Interruptible rates be extended to October 30, 2013. Staff further recommends that the due date for the corresponding Staff report and proposed order be extended to March 31, 2013.
