• - • Public Notice that Golden Shores Water Company was when it was brought to my attention in the Public Notice, that Golden Shores Water Company was going to try to raise our water bills 94.9 percent. Well I thought it to be my civic duty to write a motion to intervene.

The people of Golden Shores are not rich people; in fact they are made up of Social Security, Disability and Broken homes with small children.

I am an understanding and I know we are in need of new pipes and other maintenances but, we have the right to know where the money they are asking for is going to go? They failed to mention that in their letter.

Please take my motion to intervene into consideration on your decision that you decide on the grant for Golden Shores Water Company's water bills, we just can't take much more out here.

Thank you

Sincerely,

Peter Guarisco

Called customer at . It was determined he wanted only to make his comments noted, not become an intervener. Advised they would be made part of the case thru a docket filing. He thanked me for the call.

Re: The Golden Shores Water Co. Emergency Rate Increase

This letter is in regards to the Golden Shores Water Co. Emergency Rate Increase. We, the residents of Golden Shores, hereby submit the followint petitions against the rate increase that the Golden Shores Water Co. has submitted to the Arizona Corporate Commission for authorization. These petitions have been signed by full time residents and do not include part time residents of Golden Shores. Roughly 90% of residents are on a fixed income and the increase that the Water Co. is requesting would be a hardship for them. Over the years, there has not been improvements or maintenance performed by the Golden Shores Water Co. We ask for your assistance in this matter. Thank you.

Sincerely,
The Residents of Golden Shores
