To Whom It May Concern:

As principal of The Shelby School, located in Tonto Village, AZ, I cannot speak highly enough of Dee and Jeff Daniels, owners of the Tonto Village Water Company.

I have had an excellent water supply. I have had prompt responses to requests for service. I am notified in advance, when the water must be turned off for a pipeline repair somewhere in the village. Dee and Jeff have made it a point to schedule these types of repairs after school hours when necessary, so that the children have water to drink from our fountain, water to wash their hands and water to flush the toilets.

In addition, Dee and Jeff have generously volunteered and donated funds and food to the school for plays, fairs, and Boy Scouts. Dee and Jeff are personally involved to a great extent in the school here in Tonto Village.

For these reasons, I support the increase in the Shelby School's water bill, because I know that Dee and Jeff will use the increase to improve the water system for the good of the school and the village.

Sincerely'

Genoa Stuyvesant

The Shelby School
