Proposed LFCR Language

The Lost Fixed Cost Recovery (“LFCR”) mechanism shall be subject to Commission review at any time, the first review to occur no later than UNS Electric’s next general rate case. Based upon that review, the Commission may suspend, terminate, or modify the LFCR mechanism. Such suspension, termination or modification may occur prior to UNS Electric’s next general rate case upon notice and opportunity to be heard, provided that any suspension, termination or modification is revenue neutral as it relates to UNS Electric’s non-fuel revenue requirement.
