Comments:As a resident of Deer Creek I am against the request of Payson Water Co to incur a debt of \$1,238,000 in order to fund infrastructure improvements to the Mesa del Caballo water system. I feel this would result in a higher rate increase for the community of Deer Creek.

Comments: We are against the water rate increase for reasons that we do not think it's fair for our community of Deer Creek to pay such a high rate increase for a system that does not include the installation of functioning hi volume water fittings at pump stations or tank locations to allow water tankers to receive water in case fire fighting operations are needed. We are a single income family and can not afford to pay such a drastically high increase in our water bill without receiving any benefits.
