Subject: Save Solar Energy!

Dear Commissioner Stump,

I am a voter and an APS customer. I am writing to urge you to protect net metering.(Docket number- E-01345A-13-0248).

APS has proposed an aggressive tax on solar customers, either in the form of a radically reduced rate of payment for power sent back to the grid or a substantial charge to their monthly bill.

I support rooftop solar in our state as an important industry and a means for Arizonans to have a real energy choice. These proposed taxes will effectively end the residential solar industry in Arizona. Please vote to protect net metering in APS.

Thanks,

Gwen Moore
