OPEN MEETING AGENDA ITEM
MEMORANDUM

TO: Docket Control
FROM: Steven M. Olea *EA for SMO*
Director
Utilities Division
DATE: October 9, 2013
RE: APS NET METERING COST SHIFT SOLUTION (DOCKET NO. E-01345A-13-0248)

Dear Parties to the Docket:

When the Staff Memorandum and proposed order was mailed, Staff's cover letter indicated that comments should be docketed by October 10. As the matter was not placed on the agenda for the October 16-17 Open Meeting, and in light of inquiries made by some parties, Staff is revising the comment period suggestion. In anticipation that the matter will be heard on the November Open Meeting, Staff suggests that comments regarding the Staff proposed order should be docketed by November 4.

You may file comments to the recommendation(s) of the proposed order by filing an original and thirteen (13) copies of the comments with the Commission's Docket Control Center at the Phoenix address listed below.

If you have any questions about this matter, please contact Rick Lloyd of our Staff at (602) 542-0819, or me, at (602) 542-7270.
