Re: Docket No: RU00000A-13-0294
Subject: Rule 103-Proposed Changes

DOCKETED BY 

As a small water company with 315 connections, serving approximately 800 people, the proposed changes to Rule 103 are reasonable as shown. The changes in the example should benefit our company and the guidelines should be easier for us to meet.

With the staff recommendation we would go from D to E. This makes good sense for our company, and may help many others.

As proposed we would be in favor of the change.

Sincerely,

Victoria Bonnet
President
