Dear AZ Corporation Commission,

I COMPLETELY DISAGREE WITH consumer energy alliance/ aps concerning raising the rates on solar customers. APS wants to change the rules after setting them, effectively doing a "bait and switch" technique on their solar customers. We signed deals and went to solar because of the advantages, now APS feel like they are not making enough money. Tell APS to stick it up their ass, their profits are enormous as is, no need to milk more out of their customers.

Thank you,
Rob Bonney
