DOCKETED BY 

Re: Commissioner Bob Burns' Letter to Docket Regarding Net Metering Dated  
October 30, 2013 Filed in Docket No. E-01345A-13-0248

Commissioner Burns:

In your letter to this docket dated October 30, 2013, you asked for responses to three questions. In response to your first question, Trico Electric Cooperative (Trico) has not spent any money on net metering including supporting lobbying efforts or contributions to organizations that lobby or retain lobbyists to promote supporting views.

In response to your second question, Trico salaried employees have not spent any time on a public relations campaign to support the Cooperative's positions on net metering.

In response to your third question, as Trico has not expended any funds to promote its views on net metering, it will not be seeking to recover funds in a future rate case.

Sincerely,

Vincent Nitido  
CEO/General Manager
