Statement of Support for Net Metering Reform

0000149473

I/we, a member of GRAHAM COUNTY REPUBLICAN COMMITTEE, support the resolution of the Executive Guidance Committee (EGC) of the Maricopa County Republican Committee in opposition to the states current net metering policy. **Pursuant Docket Number E-01345A-13-0248**, I/we strongly encourage the Arizona Corporation Commission to adopt a new rate structure for residential customers that would fairly apportion electrical grid maintenance costs to all customers and end the current unfair cost shift to non-solar customers. I/we encourage the Arizona Corporation Commission to act as soon as possible.
