Re: Commissioner Pierce in response to Sandra Kennedy's letter
Docket No.: E-01345A-13-0248

DOCKETED BY

Parties to the Docket:

I'm writing in response to Sandra Kennedy's letter dated November 13, 2013, calling into question my ability to fairly judge the APS net metering cost-shift matter pending before the Commission.

The accusations in her letter are scurrilous and unwarranted. I move forward with a clear conscience that I have studied the evidence presented by all parties in the case and have not prejudged the matter.

I have many questions to resolve before I make my decision, and I look forward to a rigorous discussion through which the most equitable solution can be achieved for all ratepayers.

Sincerely,
Gary Pierce
Commissioner

Sincerely,

Commissioner Gary Pierce
