DOCKETED

NOV 18 2013

The Corporation Commission  
Regarding a fee increase on the power grid.

DOCKETED BY

Please read this before the vote.

Every homeowners has paid for the power grid that we use. IT does matter if we have solar panels or not.

Moreover the people that have solar use the power less and most of the power in the grid is used by the homes that do not have solar panels.

I don't know who made your commercial about the power grid but they and the commercial are liars if not an out right lie, This commercial is deceptive at best. Vote no on the power grid raise in premiums.
