Subject: Proponents of Solar Power

We wish to thank the members of the ACC who voted in favor of solar energy and its contribution to energy efficiency in Arizona. As a user of solar power I would encourage anyone to make use of the technology. It will continue to improve through research, and maybe one day we'll not have the mega-utilities trying to bully us as they disappear into the trash heap of history.

You folks who supported us are to be commended. We appreciate your loyalty to those of us who believe in freedom of choice and look to the future!

Sincerely,

Don and Jeanne Glass
