Re: Water Service
Water Utility of Greater Tonopah

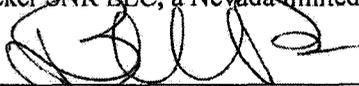

Please accept this letter as a validation of our continued request for service from Global Water Resources (Global) and Water Utility of Greater Tonopah (WUGT) for integrated water services to approximately 2731 acres, known as Silver Water Ranch and Silver Springs Ranch and more particularly described in Exhibit A attached hereto. As you know Sierra Negra Ranch LLC (SNR) has invested millions of dollars with Global in the form of an Infrastructure Coordination Finance Agreement (ICFA) which obligates the Water Utility of Greater Tonopah (WUGT) to provide SNR integrated water service. The ICFA also obligates Global to provide integrated wastewater and reclaimed water services, which are to be provided through the Hassayampa Utility Company. SNR intends to continue to pursue the rezoning, preliminary platting, and development of two master planned communities located within the Certificate of Convenience and Necessity for the WUGT and requests that Global and WUGT continue to fulfill the obligated terms under the ICFA.

Sincerely,

Sierra Negra Ranch LLC, a Nevada limited liability company
