**PUBLIC NOTICE OF HEARING ON THE APPLICATION OF MT. TIPTON
WATER COMPANY, INC. FOR A PERMANENT INCREASE IN ITS WATER
RATES AND CHARGES**
(Docket No. W-02105A-13-0415)

Summary

On December 2, 2013, Mt. Tipton Water Company, Inc. ("Mt. Tipton") filed with the Arizona Corporation Commission ("Commission") an application for a permanent increase in its water rates and charges, using a test year ("TY") ending June 30, 2013. For the TY, Mt. Tipton reports adjusted total operating revenues of \$339,594 and operating income of \$52,726. Mt. Tipton requests authorization to increase its rates to generate an additional \$45,947 in metered water revenue per year, specifically by increasing its monthly usage charges and commodity rates other than for vending machine sales. Mt. Tipton also proposed to increase its service establishment charge and to implement a \$50 after hours service charge. Mt. Tipton's proposed rates are intended to generate an increase in total operating revenue of approximately 13.53 percent. The proposed rates would increase the monthly bill for an average residential customer (served by a 5/8" x 3/4" meter and using 3,657 gallons per month) from \$33.40 to \$38.79, an increase of \$5.39 per month, or approximately 16.14 percent.

The Commission's Utilities Division ("Staff") is in the process of auditing and analyzing Mt. Tipton's records and has not yet made a recommendation regarding the rate application. The Commission will determine the appropriate relief to be granted based on the evidence of record in the proceeding. **THE COMMISSION IS NOT BOUND BY THE PROPOSALS MADE BY MT. TIPTON, STAFF, OR ANY INTERVENORS; THEREFORE, THE FINAL RATES APPROVED BY THE COMMISSION MAY DIFFER FROM AND MAY BE HIGHER OR LOWER THAN THE RATES REQUESTED BY MT. TIPTON OR RECOMMENDED BY OTHER PARTIES.**

How You Can View or Obtain a Copy of the Rate Proposal

Copies of the application and proposed rates are available at Mt. Tipton's offices located at 15996 N. Ironwood Drive, Dolan Springs, Arizona 86441 and at the Commission's Docket Control Center at 1200 West Washington, Phoenix, Arizona, for public inspection during regular business hours, and on the Internet via the Commission's website (www.azcc.gov) using the e-Docket function.

About Intervention

The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Any person or entity entitled by law to intervene and having a direct and substantial interest in the matter will be permitted to intervene. Anyone who wishes to intervene must file an original and 13 copies of a written motion to intervene with the Commission no later than **April 1, 2014**, and send a copy of the motion to Mt. Tipton or its counsel and to all parties of record. A motion to intervene must contain the following:

1. The name, address and telephone number of the proposed intervenor and of any person upon whom service of documents is to be made if different from that of the intervenor;
2. A short statement of the proposed intervenor's interest in the proceeding (e.g., a customer or potential customer of the Company, a member or shareholder of the Company, etc.);
3. A statement certifying that a copy of the motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case; and
4. If the proposed intervenor is not represented by an attorney who is an active member of the Arizona State Bar, and is not an individual representing himself or herself, information and any appropriate documentation demonstrating the intervenor's compliance with Arizona Supreme Court Rules 31, 38, and 42, as applicable.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before April 1, 2014. If representation by counsel is required by Arizona Supreme Court Rule 31, intervention will be conditioned upon the intervenor obtaining counsel to represent the intervenor. For information about requesting intervention, visit the Commission's website at <http://www.azcc.gov/divisions/utilities/forms/interven.pdf>.

The granting of intervention, among other things, entitles a party to present sworn evidence at the hearing and to cross-examine other witnesses. However, failure to intervene will not preclude any interested person or entity from appearing at the hearing and providing public comment on the application or from filing written comments in the record of the case.
