**RUCO PROPOSED AMENDMENT #1
DOCKET NO. E-04204A-12-0219**

The purpose of this proposed amendment is to preserve the requirement for UNS Electric to file future energy efficiency implementation plans so that this and future Commissions can make necessary modifications to energy efficiency programs in a timely and fully informed manner based on the information provided in the most up-to-date plan, as new ratepayer needs arise and market conditions change.

Page 14, Line 11:

After "Commission." INSERT:

"However we feel that it is important for UNS Electric to continue filing future energy efficiency implementation plans, so that this and future Commissions can make necessary modifications to energy efficiency programs in a timely manner as new ratepayer needs arise and market conditions change."
