CHAIRMAN STUMP'S PROPOSED AMENDMENT #1

DATE PREPARED: December 16, 2013

ORIGINAL

COMPANY: UNS Electric, Inc.

AGENDA ITEM NO.: 27

DOCKET NO: E-04204A-12-0219

OPEN MEETING DATE: December 17-18, 2013

The purpose of this proposed amendment is to preserve the requirement for UNS Electric to file future energy efficiency implementation plans so that this and future Commissions can make necessary modifications to energy efficiency programs in a timely and fully informed manner based on the information provided in the most up-to-date plan, as new ratepayer needs arise and market conditions change.

Page 14, Line 11:

After "Commission." INSERT:

"However we feel that it is important for UNS Electric to continue filing future energy efficiency implementation plans, so that this and future Commissions can make necessary modifications to energy efficiency programs in a timely manner as new ratepayer needs arise and market conditions change."

Page 17, Lines 15-16

DELETE:

"IT IS FURTHER ORDERED that UNS Electric, Inc. not file its next Energy Efficiency Implementation Plan until further order of the Commission."

Make all conforming changes.
