**IV. CAGR D FEE ADJUSTOR:**

The Arizona Corporation Commission authorized the Company to implement a Central Arizona Groundwater Replenishment District ("CAGR D") fee adjustor to recover the annual charges imposed upon the Company by the CAGR D as a result of the Company's membership in the CAGR D. Accordingly, in addition to all other applicable rates and charges in this tariff, each customer shall pay a monthly CAGR D fee adjustor per thousand gallons of water delivered, as set forth below, effective for all water service rendered in all water service areas for all classes of service on and after March 1, 2011 in accordance with the following conditions as set forth in Decision No. 72177 and subsequently modified in Decision No. 73283:

1. The adjustor fee shall apply to all water sold after October 1, 2010, or shall become effective on the date new rates from this case become effective, whichever is later.
2. The Company shall, on a monthly basis, place all CAGR D monies collected from customers in a separate, interest-bearing account ("CAGR D Account").
3. The only time the Company can withdraw money from the CAGR D Account is to pay the annual CAGR D fee to the CAGR D, which is due on October 15<sup>th</sup> of each year.
4. The Company must provide to Staff a semi-annual report of the CAGR D account and CAGR D use fees collected from customers and paid to the CAGR D, with the reports due during the last week of October and the last week of April of each year.
5. The Company must provide to Staff, every June 30<sup>th</sup>, the new firm rates set by the CAGR D for the following years.
6. The CAGR D adjustor fee shall be calculated as follows: The total CAGR D fees paid by the Company for the most current year in the Tucson Active Management Area (AMA) shall be divided by the gallons sold by the Company in that year to determine a CAGR D adjustor fee per 1,000 gallons.

**CAGR D FEE ADJUSTOR (continued):**

7. By October 25<sup>th</sup> of each year, the Company shall submit for Commission consideration its proposed CAGR D adjustor fee for the Tucson AMA along with the calculations and documentation from the relevant state agencies to support the data used in the calculations. Failure to provide such documentation to Staff shall result in the immediate cessation of the CAGR D adjustor fee. Commission-approved fees shall be applied to all water sales billed after December 1<sup>st</sup>.
8. If the CAGR D changes its current method of assessing fees to some other method, such as, but not limited to, future projections, water usage, or total water allocated to the Company, the Company's collection from customers of CAGR D fees shall cease.
9. As a compliance item, the Company shall submit yearly, a new tariff reflecting the reset adjustor amount.

The initial CAGR D fee is calculated by dividing the total CAGR D fees for 2011 by the gallons sold for that year.

A. Total CAGR D Fees, less 2010 under-collection	\$338,583
B. Total Gallons Sold (1,000)	466,648
C. Charge per 1,000 gallons (A divided by B)	\$ 0.73
