1 water system can be determined.

2 IT IS FURTHER ORDERED that in the event Bidegain Water Company's water loss reported
3 in the 12-month Water Use Data is greater than 10 percent, the Company shall evaluate its water
4 system and submit a water loss reduction report containing a detailed analysis and plan to reduce the
5 water loss to 10 percent or less. If the Company believes it is not cost effective to reduce the water
6 loss to less than 10 percent, it should submit a detailed cost benefit analysis to support its opinion. In
7 no case shall the Company allow water loss to be greater than 15 percent. If the water loss reported
8 in the 12-month reduction report or the detailed analysis, whichever is submitted, with Docket
9 Control, as a compliance item in this docket, within 13 months of the effective date of this Decision.

10 IT IS FURTHER ORDERED that Bidegain Water Company shall file with Docket Control,
11 as a compliance item in this docket, within 90 days of the effective date of this Decision, at least three
12 Best Management Practices in the form of tariffs that substantially conform to the templates (located
13 on the Commission's website at <http://www.azcc.gov/Divisions/Utilities/forms.asp>) created by Staff,
14 for the Commission's review and consideration. Further, Bidegain Water Company shall, at a
15 maximum, choose no more than two of the Best Management Practices from the Public
16 Awareness/Public Relations or Education and Training categories and the Company may request cost
17 recovery of actual costs associated with the implementation of the BMPs in its next general rate
18 application.

19 IT IS FURTHER ORDERED that Bidegain Water Company shall annually file, as part of its
20 annual report, an affidavit with the Utilities Division attesting that the Company is current in paying
21 its property taxes in Arizona.
