RE: REQUEST FOR A NEW DOCKET – VALUE AND COST OF DISTRIBUTED GENERATION (INCLUDING NET METERING)

As directed by Decision No. 74202 (December 3, 2013; Docket No. E-01345A-13-0248), the Utilities Division Staff requests that a new generic docket be opened for the purposes of gathering Stakeholder input and to help inform future Commission policy on the value and costs that Distributed Generation brings to the grid. We would like the Company name on eDocket to read “Arizona Corporation Commission – Value & Costs of Distributed Generation.”
