DOCKETED

FEB 20 2014

DATE: February 20, 2014

DOCKETED BY

RE: **ADMINISTRATIVE CLOSURE - IN THE MATTER OF THE APPLICATION OF MCIMETRO ACCESS TRANSMISSION SERVICES, LLC, FOR APPROVAL OF AN AMENDMENT FOR ELIMINATION OF UNE-P AND IMPLEMENTATION OF BATCH HOT CUT PROCESS AND QPP MASTER SERVICE AGREEMENT. (DOCKET NOS. T-01051B-04-0540 AND T-03574A-04-0540)**

On July 28, 2004, MCImetro Access Transmission Services, LLC ("MCImetro") filed an Application with the Arizona Corporation Commission ("Commission") seeking approval of a negotiated amendment to an Interconnection Agreement between MCImetro and Qwest Corporation ("Qwest") and for approval of a Qwest Platform Plus ("QPP") Master Services Agreement.

On August 6, 2004, Qwest filed a Motion to Dismiss Application for Review of Negotiated Commercial Agreement (with Alternative request for Intervention).

On May 3, 2005, by a Procedural Order, the above referenced dockets were consolidated with other Commercial Agreements.

In Decision No. 68116, issued September 9, 2005, the Commission denied Qwest's Motion to Dismiss and ruled, among other things, that consideration of the agreements filed with the MCImetro's Application is within the Commission's jurisdiction. Pursuant to Decision No. 68116, the Agreement was filed for the Commission's review and approval in accordance with both federal law and state rules.

Based on the fact that the Application went into effect by operation of law, Staff recommends the above referenced dockets be administratively closed.
