RE: Non-Exempt, Service Area Well Permit No. S-210719
Well Registration No. 55-210719 B(15-02) 30DCC

Dear Permittee:

Your permit operate of the above-referenced non-exempt well is enclosed. The well owner is required to submit the enclosed Completion Report within 30 days of the installation of pump equipment.

Pursuant to the provisions of A.R.S. § 45-604, any person withdrawing groundwater from a well is required to use a water measuring device to record rates of withdrawal in order to provide or allow the computation of an annual volume of pumpage from the well. The total volume of pumpage from the well shall be reported on your Annual Water Withdrawal and Use Report for this calendar year. Subsequent annual reporting periods shall be from January 1 through December 31.

The Department has issued the authorization to drill and operate this well pursuant to A.R.S. §§ 45-598 and 45-599 of the Groundwater Code. The legal nature of the water withdrawn from the well may be the subject of court action in the future as part of a determination of surface water rights in your area. If there are court proceedings that could affect your well, you will be notified and be given the opportunity to participate.

Under A.R.S. § 45-593, the person to whom a well is registered must notify the Department of a change in ownership, physical characteristics or any other data about the well in order to keep the well registration records current and accurate. Forms may be obtained by contacting your local AMA office or online at <http://www.azwater.gov>.

Your permit has been issued by this Department without a hearing. As such, it is an appealable agency action. You are entitled to appeal and your rights are described in the enclosed notice of right to appeal.

If you have any questions regarding your permit, please call me at 602-771-8614.

Sincerely,

A handwritten signature in cursive script, appearing to read "Cynthia Pogue".
