Nature of Complaint:

\*\*\*\*\*OPPOSED TO RATE INCREASE \*\*\*\*\*

Naco Water Co is trying to hike his water rates we are all ready paying to much for the service . The service is no good there isnt enough water pressure if you open one faucet you dont get water in other .We are the only town that already pays to much for the water service. they cant say they have made any up grades to the service. The only up grades that were made is the new wells that Freeport Mcomoran Copper and Gold. made .And also the water here in Naco is hard water it damages your appliances

Thank You
