COMMISSION EXPIRES: 5/4/2014

PUBLIC NOTICE OF THE HEARING ON THE
APPLICATION OF ARIZONA
TELEPHONE COMPANY FOR AN INCREASE IN ITS
RATES AND CHARGES
(Docket No. T-02063A-13-0411)

On November 27, 2013, Arizona Telephone Company ("Company") filed with the Arizona Corporation Commission ("Commission") an application requesting authority to increase its residential monthly basic local access line rate from \$14.00 to the lower of \$19.00, or the Federal Communications Commission's ("FCC") approved residential rate floor.

On November 18, 2011, the FCC issued a comprehensive new Order. Among other things, the FCC's Order establishes that in order for the Company to continue receiving federal support funds, the Company's local residential monthly service rates must be increased to floor rates. The FCC determines the floor rate annually. If the Company's rates are not increased to the floor rate, the amount of federal support funds the Company receives will be reduced dollar-for-dollar for each customer by the difference between the existing local rate and the new FCC floor rate. The new FCC floor rate was not available at the time the application was filed, but is expected to be known in the first quarter of 2014.

The Commission's Utilities Division ("Staff") is in the process of analyzing the application, and has not yet made any recommendations regarding the Company's proposed rates. The Commission will determine the appropriate relief to be granted based on the evidence presented by the parties. The Commission is not bound by the proposals made by the Company, Staff, or any interveners. Therefore, the final rates approved by the Commission may be higher or lower than the rates requested by the Company.

How You Can View or Obtain a Copy of the Rate Application

Copies of the application and proposed rates are available by contacting Jeff Handley at Arizona Telephone; (jeff.handley@tdstelecom.com, 865-671-4750), at the Commission's Docket Control Center at 1200 West Washington, Phoenix, Arizona, 85007, for public inspection during regular business hours, and on the Internet via the Commission's website (www.azcc.gov) using the e-Docket function and Docket No. T-02063A-13-0411.
