The purpose of this amendment is to adopt APS's Proposed Amendment on the Resource Savings Initiative as modified below:

Page 41, lines 8-10, **DELETE** Ordering Paragraph **INSERT** New Ordering Paragraph:

“IT IS FURTHER ORDERED that the prohibition contained in A.A.C. R14-2-2404(H) is waived, and APS may count energy savings from transmission and delivery system improvements toward compliance with the energy efficiency standard. Specific programs including anticipated costs and energy savings must be proposed and approved through the implementation plan process. Any energy savings from approved programs shall not impact either the LFCR or Performance Bonus calculations.
