Dear Arizona Corporate Commissioner,

Utility company owners collecting money from rate payers to cover the owners' personal taxes? Without a strict and open public accounting of what those taxes are? You can't seriously be contemplating allowing such a thing, can you? Or is Jeff Dempsey's article (in West Valley Today) inaccurate?

**Subject:** Pima Utility in Sun Lakes, AZ

**Follow Up Flag:** Follow up

I urge you Commissioners to deny Pima Utility the right to charge Sun Lakes customers for its income taxes.

Companies have income taxes they are required to pay. The same should apply to the Pima Utility Company which serves Sun Lakes. Thank you for your assistance.
