DOCKETED

DOCKETED BY

IN THE MATTER OF THE APPLICATION OF  
SUNRISE WATER CO., AN ARIZONA  
CORPORATION, FOR AUTHORITY TO INCUR  
LONG-TERM DEBT FROM THE WATER  
INFRASTRUCTURE FINANCE AUTHORITY OF  
ARIZONA

DOCKET NO. W-02069A-13-0261

**REQUEST FOR RECOMMENDED  
OPINION AND ORDER**

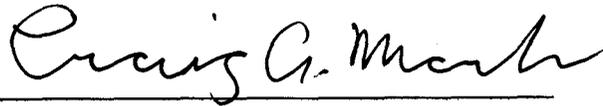

1 Sunrise Water Co, ("Sunrise") hereby requests that Hearing Division issue a  
2 Recommended Opinion and Order ("ROO") in time for consideration at the Commission's next-  
3 scheduled Open Meeting (currently set for April 8-9, 2014).

4 As more fully set forth in its Application, Sunrise needs to construct certain  
5 improvements at its Well No. 2 Booster Pumping Station Site and Well No. 4 Booster Pumping  
6 Site, including arsenic treatment facilities and a second water storage tank. Sunrise proposes to  
7 borrow the necessary funds from the Water Infrastructure Finance Authority of Arizona  
8 ("WIFA"). The WIFA Board only meets every other month. The next scheduled Board meetings  
9 are April 8, 2014, June 18, 2014, and August 20, 2014.

10 Sunrise has to complete its WIFA loan application prior to WIFA Staff presenting to the  
11 Board. As counsel understands the process, to get on the June 18, 2014, agenda, the application  
12 has to be completed, including a final Commission Order, and submitted to WIFA staff by April  
13 25, 2014.

14 If Sunrise's application is not on the April 8 and 9 Open Meeting agenda, it would be  
15 August or later until the loan application could go to the WIFA Board for approval. This would  
16 mean that Sunrise could not construct the required facilities in time to meet expected summer  
17 demands on its system. This could cause water-supply problems for Sunrise's customers.
