DOCKETED BY 

To Whom It May Concern:

ORIGINAL

Ivo Buddeke approached me and said that Patricia Olsen does not know how to run the water company and that he could run the water company better than her. He wanted me to sign his petition and get on his side. I told him to get off my property and leave me alone. I'm happy with my service from Montezuma Rimrock Water Company and my bills are not high. Patricia does take care of her company and does things properly.

Sincerely,

 3-20-14
