Hello ACC commissioners,

Attached is my Public Comment Form against Sahuarita's Water Company proposal to increase their rate. Please compare their rate to Tucson City water rates. I have not done the analysis, but knowing my water bill here compared to my bill in Tucson, I believe Sahuarita Water may have an opportunity for process improvements.

I asking you to review the facts before increasing our rates. Actually, you may want to consider decreasing the rates to be competitive with Tucson City water rates.

Thank you for your consideration,  
Roger Brown

We just moved from East Tucson to retirement community of Rancho Resort in Sahuarita. We downsized from a swimming pool and larger yard thinking our utility bills would be downsized as well. We were surprised at how high our water bill was and now they want to raise their rates! I just can't believe this proposal is under consideration. My suggestion is to review Sahuarita Water operating expenses to determine possible budget cuts and/or operating efficiencies.
