**Re: Sun Streams Gen-Tie Project
Line Siting Application #168; Docket Control # L-00000XX-14-0120-00168**

Dear Mr. Olea and Ms. Alward,

I want again to invite the Staff of the Arizona Corporation Commission to make whatever comment you feel appropriate in writing, by live testimony, or both on the above application of Sun Streams, LLC, for a 34.5kV/500 kV substation and .3 mile generation tie in transmission line connecting the proposed Sun Streams photovoltaic solar power generation project to the existing Hassayampa Switchyard near the Palo Verde Nuclear facility and transmission hub in western Maricopa County. The Arizona Power Plant and Transmission Line Siting Committee has an ongoing interest in the technical expertise of your staff in considering applications that come before it and your legal position in matters relating to the construction of A.R.S. § 40-360 *et seq.*

If you wish to submit your opinions in writing, please do so by filing them with Docket Control with copies to the Applicant and the members of the Committee. If you wish to have one or more members of your staff testify, please notify me by letter containing the names of your staff who would testify and a summary of their proposed testimony. Please file the summary with Docket Control, with a copy to the Applicants, other interested persons, and the Committee members. It would be very helpful if the written opinions or the testimony summary on technical matters were filed and sent on or before the pre-hearing conference on May 7, 2014, so that the Applicants and others will have an opportunity to respond at the evidentiary hearing scheduled to begin on May 12, 2014.

The Committee likely will be interested in your opinion about whether the proposed project improves the reliability and/or the safety of operation of the grid?

We would, of course, welcome your thoughts on any other legal or technical issues relevant to our statutory review that you feel we should consider.

If you have any questions concerning our request, please do not hesitate to call me. We look forward to your input.

Very truly yours,

A handwritten signature in cursive script that reads "John Foreman". The signature is written in black ink and is positioned above the typed name and title.

John Foreman, Chairman
Arizona Power Plant and Transmission Line Siting Committee
Assistant Arizona Attorney General
1275 W. Washington Street
Phoenix, AZ 85007

Twenty-six copies filed on April 8, 2014, with:
