I was very upset to read in the AZ Republic today about Bob Stump writing to Sunrun 's Chairman, Ed Fenster Fenster asking him to"rein in"Kim Sanders. He's the one one who needs to rein in. Everyone in Arizona should have solar panels with all the sunshine we have. Bob and anyone on the Commission that feels the way he does should be voted out. You're not using Arizona's most valuable resource, SUNSHINE , and that is the saddest part of it all . You should be MAKING IT EASIER FOR EVERYONE TO HAVE SOLAR NOT PENALIZING ANYONE WHO HAS SOLAR.
