Re: Southwest Transmission Cooperative, Inc.'s Application to Extend Expiration Date for Certificate of Environmental Compatibility Granted in Docket No. L-00000CC-09-0158-00142, Case No. 142, Decision No. 71218 (July 16, 2009)

Dear Mr. Olea:

Thank you for your April 21, 2014 correspondence in connection with the above-referenced matter, and the April 21, 2014 Open Meeting Memorandum and draft form of Order which were enclosed with your letter. I assume that I am a recipient of your letter inasmuch as I am included on the service list for the above-referenced docket.

In that regard, I have not provided any legal services to Pinal County for several years. However, following my receipt of a copy of Southwest Transmission Cooperative, Inc.'s ("SWTC") Application to Extend the Expiration Date for the Certificate of Environmental Compatibility here in question, I transmitted a copy of that Application to the current Pinal County attorney (Lando Voyles), together with a background explanation from me and a description of the relief being requested by SWTC. Similarly, and by means of making him a copy recipient of this letter, I will transmit a copy of your aforesaid correspondence and enclosures to Mr. Voyles.

In the event that Pinal County and/or Mr. Voyles desires to make any comment on SWCT's currently pending request in the above-referenced docket, I assume that they will either do so directly or through me. In the event that the latter should be the case, I will apprise you as to any comment or instructions I might receive from Pinal County or Mr. Voyles in advance of May 6, 2014.

Sincerely,

Lawrence V. Robertson, Jr.
