MEC ELECTRIC RATES**MOHAVE ELECTRIC COOPERATIVE, INCORPORATED**

1999 Arena Drive

Bullhead City, Arizona 86442

Filed By: J. Tyler Carlson

Title: CEO/General Manager

Effective Date: May 1, 2014**DEMAND SIDE MANAGEMENT (DSM)
ADJUSTOR MECHANISM/DSM ADDER**

Background

The Arizona Corporation Commission ("Commission"), by Decision No. 73352, dated August 12, 2012, approved a Demand Side Management ("DSM") adjustor for the Cooperative, with the amount of the Demand Side Management Program Adder ("DSM Adder") to be established in separate filings made pursuant to the Commission's Energy Efficiency Standards Rules. (A.A.C. R14-2-2401 et seq.) By Decision No. 74443, dated April 18, 2014, the Commission approved specific DSM programs and budgets for the Cooperative to be funded by the DSM Adder. The DSM programs and the DSM Adder will be modified, expanded, reduced, eliminated or supplemented from time to time as approved by the Commission. The funds collected and expended through the DSM Adder are to be accounted for separately by the Cooperative.

Application

The Cooperative shall include the DSM Adder set forth below to the monthly charges computed under all of its Standard Offer Tariffs commencing with usage on or after the Effective Date set forth above. The DSM Adder is in addition to all other rates and charges applicable for service to the customer.

DSM ADDER

The DSM Adder is \$0.000792 per kWh.

Adjustment to Adder

The amount of the DSM Adder shall be adjusted from time to time as determined by the Arizona Corporation Commission.
