We live in the unincorporated area of San Tan Valley. We have taken the time to attend meetings concerning the purchase of Johnson Utilities LLC by the Town of Florence. We support the purchase of Johnson Utilities by the Town of Florence. Florence will be purchasing the water and sewer utility for less than half what the Town of Queen Creek recently paid to purchase the H2O utility company--\$2000 per hook-up versus \$4600 per hook-up. We are very happy with the service we presently receive and the price we pay for it, and we would like this to continue. We also feel that the Town of Florence, unlike a private purchaser, will put all of the residents' interests first and foremost when they purchase, and eventually operate, this facility.
