Ladies and Gentlemen: RE: Docket # WS-01303A-14-0010

As a resident of Sun City and a customer of EPCOR Water, I am concerned over their request for a rate increase for the Sun City water district users. Historically, they ask for outrageous increases, and while the Corporation Commission seldom approves the full amounts (for water and sewer rates) EPCOR requests, the Commission is usually "very generous" with the rates they do approve.

It is my hope, along with, I'm sure, the majority of EPCOR's Sun City customers, that EPCOR's request either be denied, or at the very least, drastically reduced, and the pocketbooks of Sun City residents will be seriously considered. We are not all wealthy folks out here; many live at, or below the poverty levels. We ask for a reasonable and fair decision regarding this matter from our duly elected Arizona Corporation Commission.

Sincerely,
Donald A. Laliberte
