Dear Sirs

I protest the increase of monthly rates. As a resident of Sun City, I am on a fixed income as are most of the persons who reside here. We simply cannot afford yet another increase. Prices have gone up in all consumer items and it is extremely difficult to keep up.

As of this year there have been seniors on street corners with signs begging for money to help pay the bills. This has never before happened here in this area, but I totally understand. We have only a set amount and we have had to really skimp and cut out many things we used to enjoy such as new clothes, dinner out, new books, beef, movies out, even gas (only drive when absolutely necessary). Please don't grant this application.

Sincerely,

Edith Calandro
