ORIGINAL

“In addition, we will require that the Company file in Docket Control, within ninety (90) days of the effective date of this decision, a construction work plan (“CWP”). The CWP should detail what plant additions and/or improvements and/or significant maintenance the Company plans to do on each of its water systems through December 31, 2017. The detail should include specific plant descriptions, the reason(s) for each addition/improvement/maintenance along with the associated costs.”
