DOCKETED BY

IN THE MATTER OF THE APPLICATION OF
DATELAND PUBLIC SERVICE CO. INC.
FOR APPROVAL FOR A RATE INCREASE.

DOCKET NO. W-02027A-13-0470

STAFF'S REQUEST FOR EXTENSION

On December 26, 2013, Dateland Public Service Company ("Dateland" or "Company") filed a general rate case application with the Arizona Corporation Commission ("Commission"). On April 9, 2014, Commission Utilities Division Staff ("Staff") filed a motion for extension of time in order to file a Staff Report in this matter. The basis for the request was in order for Staff to more fully evaluate the grant funding provided to Dateland by the United States Department of Agriculture ("USDA"). A procedural order dated April 15, 2014, granted the motion's request and extended the time for filing the Staff Report to June 9, 2014.

The impact made by the USDA grant monies makes this application somewhat more complex than an ordinary rate application for a utility of Dateland's size. Staff is still in the process of reviewing its recommendations and requests a further extension by one week to June 16, 2014. Staff has contacted the Company regarding Staff's request and the Company has indicated that it has no objection to Staff's request.

RESPECTFULLY SUBMITTED this 9th day of June 2014.
