Re: Hydro Resources, Inc. Application for a Certificate of Convenience and Necessity, Docket Nos. W-02350A-10-0163, W-20765A-10-0432, W-20770A-10-0473; W-02350A-13-0312; W-20770A-13-0313, Transfer of customers from Anasazi Water Company to Hydro-Resources, Inc.

Dear Judge Harpring:

During the hearing held on June 4, 2014, certain questions arose concerning the timing of the transfer of certain customers from the water system owned by Anasazi Water Company to the water system owned by Hydro-Resources, Inc. ("Hydro"). Hydro agreed to research this issue and provides the following update:

South Rim Mobile Home Park (parcels 502-17-1H and 1G), Babbitt's General Store (parcel 502-17-2M), and Express Mini-Mart (parcel 502-17-2L): Connecting these customers to Hydro's water did not require any new connections. TWDA began billing these customers at Hydro's rate on January 1, 2013 (as testified to by Mr. Brainard).

McDonalds' Dormitory (parcel 502-17-18C) and Grand Canyon Trading Post (parcel 502-17-4J): The physical connection of these customers to Hydro's water was completed on November 20, 2013. TWDA began billing these customers at Hydro's rate on December 1, 2013.

Very truly yours,

Steven A. Hirsch
