Docket # T-03346A
SBC Long Distance, LLC
d/b/a SBC Long Distance
d/b/a AT&T Long Distance

T-03346A-14-0402

Dear

Enclosed for filing are an original and thirteen (13) copies of changes to A.C.C. Tariff No. 17 of SBC Long Distance, LLC, d/b/a AT&T Long Distance. The tariff pages have an issue date of December 05, 2014. AT&T Long Distance requests an effective date of January 12, 2015.

The purpose of this filing is to: (1) add business and residential calling card service withdrawal language; (2) grandfather and modify terms of the Account Code billing feature; and (3) increase Billing Default Plan for Hierarchical Billing per minute rates. Customers have been notified of changes via bill message.

So that our records will be complete, please date stamp and return one copy of the advice letter in the envelope provided. Please direct any questions regarding this filing to me, Donna Daniele, 3032 Mars Hill Street, Modesto, CA 95355. I may be reached via telephone at (209) 551-2571 or via email at dg1612@us.att.com.

Thank you for your assistance in this matter.

Sincerely,

Donna Daniele

.3 Features

(T)

The Calling Card is available in English. Depending on the Customer's location, the card may be available in languages other than English. The Company determines which languages are available at any point in time.

Customers may select from various calling card features such as PIN level restrictions for blocking International calls when available unless otherwise indicated by the Customer, the PIN is printed on the card. The card number is always ten (10) digits plus a four (4) digit PIN. Upon the initial request for the card, the Customer will receive a card with a PIN printed on the card. The PIN will be randomly generated. However, the Customer has the option of changing the PIN to one selected by the Customer.

.a Option 1 and Option 4

(T)

Unless otherwise indicated by the Customer, the Customer's name will be printed on the Card.

.b Option 2 and Option 2 Categories

(T)

Unless otherwise indicated by the Customer, the Customer's name will be printed on the Card.

.c Option 3 and Option 3 Categories

(T)

The Customer has a choice of one of the following: (1) no name printed on the card; (2) company name printed on the card; or (3) employee name printed on the card.

If the Customer does not specify an option, the company's name will be printed on the card.

3.8.2 Account Codes¹

(A) Account codes are an optional feature associated with outbound long distance Service that provides the Customer the ability to track usage by requiring the caller enter a string of digits ("digit string"). Account codes enable the Customer to obtain call detail from the Company which is sorted and summarized based on digits entered by the caller

(T)

(D)

(D)

(D)

|

|

|

(D)

(B) The account codes are available on a mandatory basis only when placing a call, the caller must enter an account code for the call to complete.

(T)

(T/D)

(D)

(C) The length of the string digits available to a Customer is limited and the number of digits is based on whether the call originates at an On-Net or Off-Net location. The Company controls the length of the string digits. The caller will be allowed three (3) attempts to enter a valid account code before the call is terminated."

(T)

(D) If the Customer subscribes to the validated feature, the caller must enter specific account codes in order to complete the call. If the Customer subscribes to the non-validated feature, the caller may enter any digits as an account code as long as the string is the designated number of digits in length.

(T)

¹This feature is no longer available to new Customers effective January 12, 2015. Existing customers may keep this feature until: (a) they move locations; and/or (b) request certain service changes; or (c) until it is discontinued by the Company, whichever occurs first. Additionally, concurrent this this change, the non-mandatory account code option is discontinued.
