Re: dishNet Wireline L.L.C., Tariff Advice Letter No. 11

Dear Sir/Madam:

dishNet Wireline L.L.C. ("dishNET") submits to the Arizona Corporation Commission ("Commission") an original and thirteen (13) copies of amended sheet numbers 2, 60, 61, 66, 69, 70, 71, 73, and 76 to 82 to dishNET's combined local and interexchange tariff, Arizona C.C. No. 3.

With this submission, dishNET makes amendments to the Company's Residential Package F optional calling features by removing certain optional features and making others available through January 15, 2015. The Company also removes the preferred carrier freeze service and toll free services that are no longer available, identifies optional calling features that are not subject to Commission jurisdiction, reduces the Non-Published Directory Listing, Call Trace, and interexchange service rate, marginally increases the directory assistance rate, and makes minor increases to the Continuous Redial and Last Call Return/Callback rates. A January 15, 2015 effective date is requested, more than thirty days following the issue date.

Please acknowledge receipt of this filing by file-stamping and returning the additional copy of this Application and transmittal letter in the self-addressed, postage-paid envelope provided for this purpose. Thank you for your attention to this matter. Questions may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
