Subject: golden shores water co rate increase

I am writing you today to protest Golden Shores Water Co.'s proposed rate increase.

My customer address is . The account number is

I understand that you need to charge (what I feel should be a MINIMAL amount) for those of us who are not occupying the residence (nobody has lived at this address for over 2 years.)

The increase from \$17 to \$21.57 last November, was already high! Now a further increase is being proposed. I feel that the increase should be given to those accounts who are using more than a minimal amount of water, that those of us not using water or using a very minimal amount, should not have their rates increased! Please keep (or reduce) the base fee of \$21.57. Any increase in fees is unfair!

Thank you for your consideration,

Melissa Thompson
