Nature of Complaint:

Docket No. W-02250A-14-0028

ORIGINAL

Since the consumer water is undrinkable due to traces of Uranium in our water system I am afraid to drink a glass of this contaminated water. We need a new water company like NTUA out of Ft. Defiance, AZ. Finally, as a retired man I will be on limited income and paying outrageous surcharge for not drinking this water is robbery of my hard earned money. This needs to stop immediately.

Signed,
